TASTING NOTE

A lovely transparent pink onion colour. The aroma is minerally driven with delicate fresh raspberry and apricot fruit. The well-integrated natural acidity leads to an elegantly tangy mouthfeel with a characteristically dry finish. The low sulphur levels are achieved by the great stability of the acidity level.

VINTAGE REVIEW

Good long winter, but late rains and cold delaying pruning. Great windless conditions experienced for flowering resulted in a high yield vintage. February temperatures were extremely hot pushing ripening and this made for a quick harvest. Highest recorded tonnages for Waterford Estate. Whites challenging but the red wines have impressed.
