### TASTING NOTE

A wine produced by whole bunch pressing various red grape varieties, resulting in a lovely transparent pink colour. The aroma is minerally driven with delicate raspberry fruit undertones. The natural acidity from the different Mediterranean varieties adds a lovely soft texture with a crisp and delicate finish. The perfect low alcohol wine to be enjoyed alongside summer dishes.

### VINTAGE REVIEW

3rd year of extreme drought, this very noticeable in the natural vegetation and low dam levels. Low winter rains, followed by near perfect growing conditions, moderate temperatures and lack of heat waves during harvest. Vineyards remained very healthy and produced lovely bunches, smaller than usual giving concentration. Wines are extremely classical in style, with tight tannin structures and lovely acidities. Reds are going to be great talking points in the future.
